RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

REMARKS

Applicant responds to the Restriction Requirement of July 2004 as follows.
Applicant elects Group 1 (claims 186, 287-297), with traverse.

I. Because The Claims Have Previously Been Searched and Examined Together, Restriction Is Not Now Proper

MPEP § 704.01 instructs as follows:

PREVIOUS EXAMINER'S SEARCH

When an examiner is assigned to act on an application which has received one or more actions by some other examiner, full faith and credit should be given to the search and action of the previous examiner unless there is a clear error in the previous action or knowledge of other prior art.

The claims now pending are substantially similar to claims 39-157 were searched and examined together as a single invention in the Office Action of October 2002. The correspondence between claims 39-157 and the claims now pending is explained at page 24 of

I certify that this correspondence, along with any documents referred to therein, is being transmitted by facsimile on August 9, 2004 to Art Unit 3624 at FAX no. 703 872 9306 to Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
